

Species Election

The Applicant hereby elects the species shown in Fig. 1 of the present Application for prosecution on the merits, to which the claims shall be restricted if no generic claim is finally held to be allowable. Additionally, the Applicant respectfully submits that each of pending claims 1-15 and 17-19 are readable upon the species of Fig. 1.

In view of the above Remarks, the Applicant respectfully requests consideration and allowance of the present Application. If, despite the above comments, the Examiner still believes the present Reply to be not fully responsive to the present Office Action, the Applicant respectfully requests that the Examiner telephone the Applicant at (414) 228-6881 so that any remaining issues can be most promptly and efficiently resolved.

Respectfully,

John T. Pienkos  
Applicant
